- Gray: Utilized in the footer for a striking contrast and visual appeal.
 - Light Gray: Applied to containers for subtle differentiation from the primary background for the login page.

- Beige(#news): Serves as background color for specific sections like the footer and news section, providing variety and visual breaks in content, the news is updated in real-time.

- Primary Colors for about page: Cadet blue
- Font color: Black for title
- Font size: small

- Background color for group members' containers: Cadet blue
- Padding: 10px
- Order: 2
- Team Icon: width is 200px , height is 210px, display in block, margin is auto with 20px and border-radius is 50%

Images:

- Images must be placed in the main with the php files, all member icons and the header pictures.

Login Container

- Centralized positioning with a maximum width of 400px for focused attention.
- The background color of light gray (#ebebeb) with rounded corners and a subtle shadow for depth.
- Input fields and buttons are styled for clarity and ease of use, with cadet blue highlights for interactive elements.

Stock Containers

- Utilize `flex` display for dynamic, responsive layouts.
- Containers for top stocks, worst stocks, and active stocks share a consistent design language with cadet blue backgrounds and horizontal scrolling where applicable.

Navigation Menu

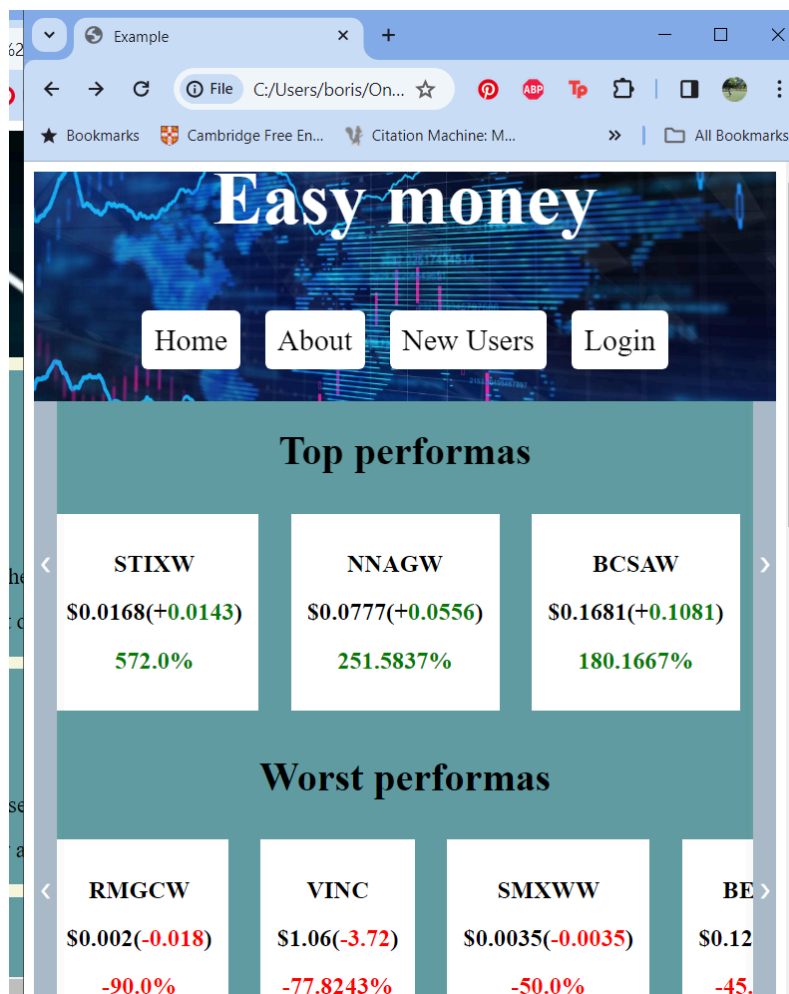

- Flexibly designed with a transparent background, allowing the underlying theme to shine through.
- Links are distinguishable with white backgrounds and transition to cadet blue on hover for a dynamic user interaction.

Footer

- A contrasting light gray background with centralized text aligning and link coloration for clear navigation cues.
- Provides a comprehensive closing section to the website with links styled distinctly against the footer's background.

Responsive Design

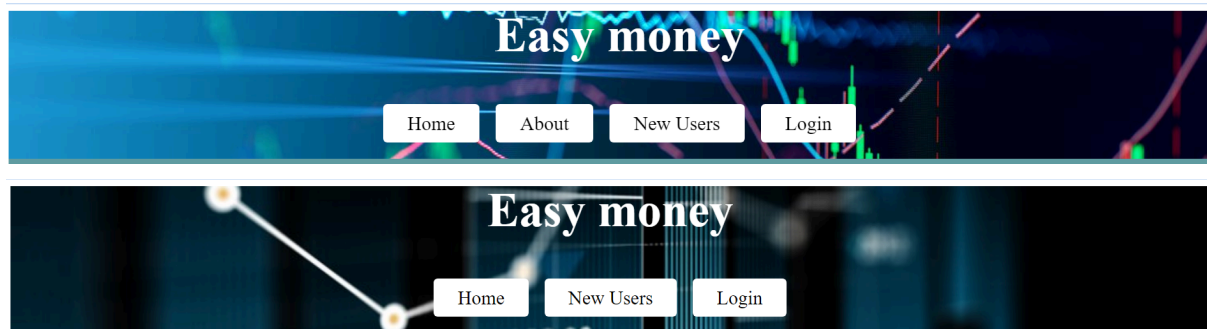

- The use of media queries to adjust layouts and container sizes based on the device's screen size, ensuring a user-friendly interface across devices.

Interactive Elements

Top preformas						
BROGW	DCFCW	NEOVW	GATEW	OUST+A	AIMDW	ABIO
\$0.025(+0.0207)	\$0.039(+0.0256)	\$0.28(+0.15)	\$0.0226(+0.0121)	\$0.1(+0.05)	\$0.0822(+0.0408)	\$3.25(+1.54)
481.3953%	191.0448%	115.3846%	115.2381%	100.0%	98.5507%	90.0585%

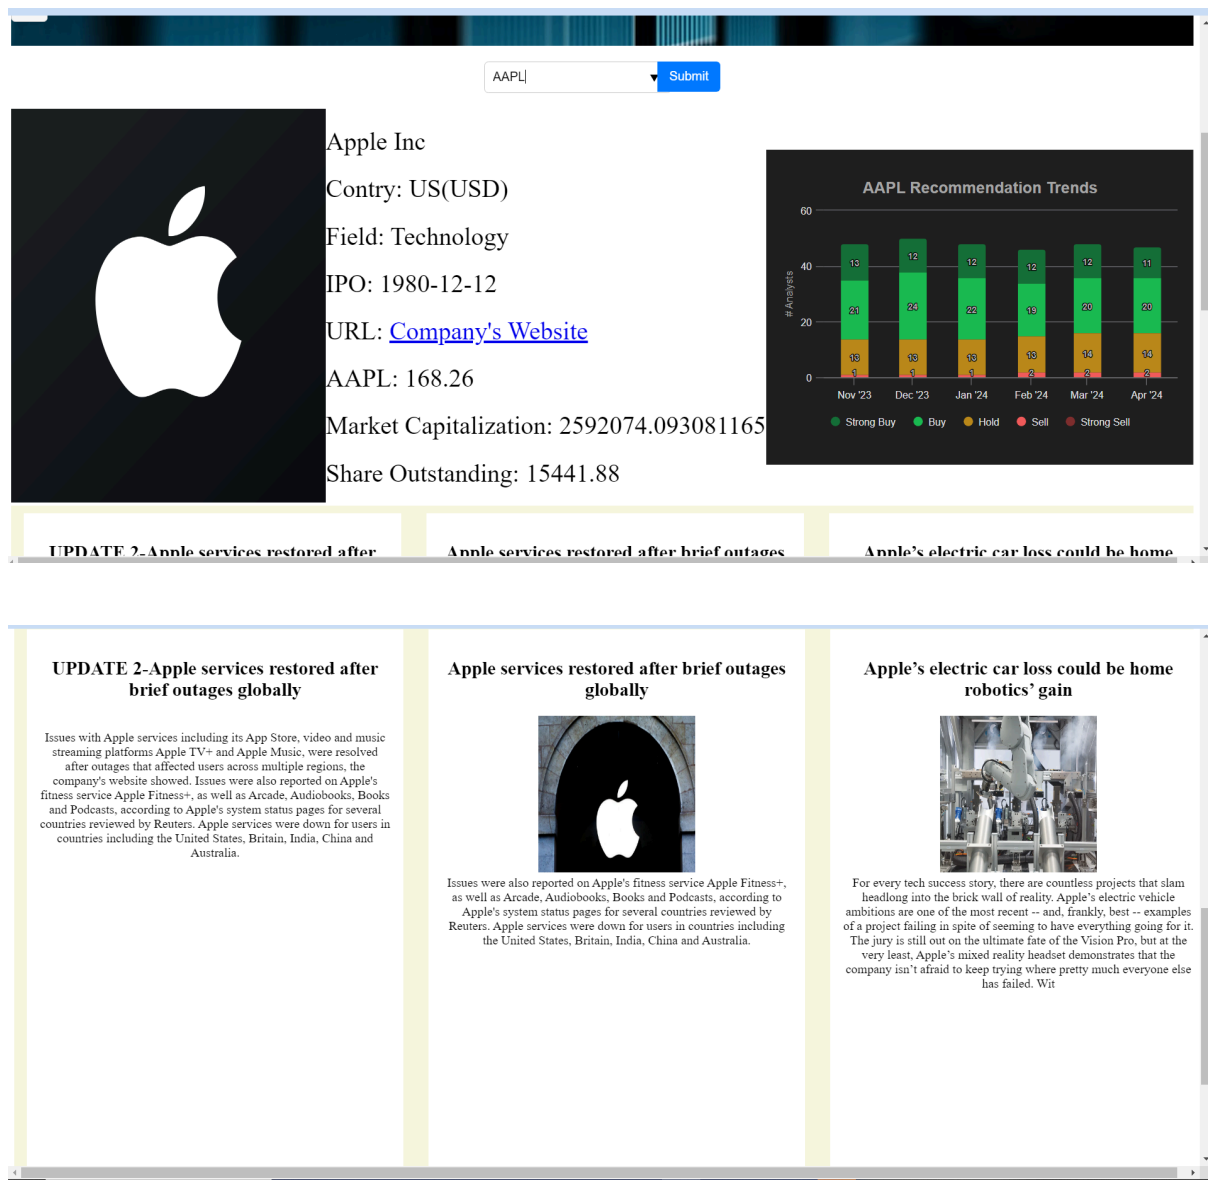

- Buttons and links feature hover states, enhancing the interactive experience with visual feedback.
- Use of `cursor: pointer` on clickable elements to indicate interactivity.

Imagery & Icons

- Background images (e.g., in the header) are set to cover, ensuring they are responsive and visually appealing across different screen sizes.
- Icons (not explicitly mentioned but implied for use in sections like the team or navigation menus) should maintain consistency with the website's overall style.

UserDashboard:

- Dynamic changes for the news block
- Search bar for associate's stocks
- Real time changing numbers for the stock
- Market Capitalization
- Font color: black
- Font size: small
- Url for the targeted associate

Flow Chart:
